

GOVERNMENT OF TRIPURA
OFFICE OF THE ASSISTANT ENGINEER
TRIPURA JAL BOARD SUB-DIVISION NO-IV
JOGENDRANAGAR R AGARTALA

WATER AND SANITATION CERTIFICATE

This is to certify that **Pallimangal Higher Secondary School, Khayerpur, West Tripura** was inspected regarding the availability of water supply and sanitation facilities for the purpose of **extension of CBSE affiliation**.

During the inspection, it was observed that the school has an adequate and functional water supply system. The institution has its own source of water through a **Small Bore Deep Tube Well (SBDTW)**, which supplies water to the underground reservoir and overhead storage tank, ensuring uninterrupted availability of water for the students and staff. Safe drinking water is also made available through a properly functioning water purification system installed within the school premises.

It is further certified that the sanitation facilities available in the school are found to be **adequate, hygienic, and satisfactorily maintained**. Separate toilet facilities for boys and girls are available and are kept in usable condition. The overall water supply and sanitation arrangements of the institution are found to be satisfactory for the smooth functioning of the school.

Therefore, this certificate is issued in favour of **Pallimangal Higher Secondary School, Khayerpur, West Tripura** for submission to the competent authority in connection with the **extension of CBSE affiliation**.

This certificate is issued on the basis of inspection and records available at the time of inspection.

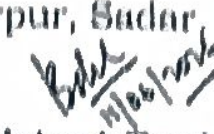

(Mr. BHASKAR DEB)
Assistant Engineer
TJB Sub-Division No. IV
Jogendranagar, Agartala.

Memo No.F.6(T)-57/AE/DWS/SD-IV/ 169
